I had a typo. It is February 25 today. I will let you know when. It is at budget and finance which most likely will be March 4

On Wed, Feb 20, 2019, 5:29 PM Tony Miera <tony.miera@lacity.org> wrote:

Hello All:

The final Venice Boardwalk settlements stemming from August 3, 2013, vehicle incursion will go to Claims Board this coming Monday March 25, 2019 at 1pm in City Hall Room 1070. I know that many of you were involved in the bollard plan which is proposed for the next fiscal year. Thank you for your efforts.

I would like at least one representative from each involved department to attend the approval meetings starting this Monday. Please let me know who will be attending.

Thanks

T

Hi All,

Yes. We're on it. I've been working on the details directly with Jeff Christensen of the VRC (also met with the VRC CEO Doug Caruso) since our last meeting in the CM's office (Oct. 10) at which time we discussed accommodating them with a Facility Use Permit. The VRC was amenable to the staff fee recovery calculations that I presented to them (Staff time only with no other fees). The VRC's most recent requested start date is Monday, January 14, 2019. I informed Mr. Christensen we were good with that date and are ready to go. Rather than a temporary agreement for six months as discussed with the VRC, I'll call Mr. Christensen and inform him we can extend the time frame to one year.

If you have any questions please let me know.

Thanks.

Bob

Hi Mike,

We spoke with the Councilmember again about your original proposal for Westminster Senior Center, and he is now OK with the plan to provide Venice Recovery Center with use of the facility on a temporary basis, for the days/hours that they've requested, for one year. During that time, we will work with VRC to find a longer-term solution.

Can you confirm that it's still possible to do this, and that we can get the ball rolling on it asap since they need to be out of their current location by the end of December?

Thanks.

Tony,

your report should recommend to the council that DOT and Street Services take the lead and work together with RAP, LAPD and LAFD to find a solution.

DOT and/or Street Services should be the lead. Not RAP. As stated we do not control the streets, the traffic flow, where the anticipated bollards will be.

RAP should not and is not equipped to be the lead - for what you are trying to accomplish which is more than traditional gates etc.

this type of project and goal is unique and requires specialized expertise.

as you know we've stepped up to the plate but for the big project you want to the benefit of the City and to mitigate the overall city risk that's the direction you should go and the departments remaining silent should be directed as such.

will continue to help find the solution and reduce the overall City risks.

thanks.

Hi Mike and AP, I wanted to give you a heads up to ensure that you knew that a second LA Times article will be coming out tomorrow, this one by Carla Hall, and will examine the fact that the Council approved funds to open a bathroom at Venice Beach, but that RAP has still not opened it. We told her specifically that there are still approvals pending (trying to take the focus off RAP), but she is pushing ahead with blaming RAP.

Sorry to share the bad news,
Debbie

Hello Suzanne,

Thank you for the application submitted by the Venice Arts Council for the 2016 Great Streets Challenge. Mayor Eric Garcetti launched the Great Streets Initiative to help re-imagine our neighborhood centers, one street at a time.

We are excited to report that we received 37 robust applications for this year's Challenge. Given the competitive nature of the program, we are unable to award your project at this time. However, we strongly believe that all of our great neighborhoods deserve Great Streets that are livable, accessible, and engaging public spaces for people.

We look forward to working with more community partners like you, to develop and build upon visions for each corridor. We strongly encourage you to reapply in the coming year. We also hope to improve our process year over year. If you have suggestions for the program, please fill out the survey at <https://goo.gl/forms/q3HcJX2ieRIYW81X2>. After all, no one knows more about our neighborhoods than you.

Regards,

Quiana Williams
